Description

Gents Smiths De Luxe wrist watch, c1960. The watch has a 15-jewel hand-winding movement which is working nicely. The movement is stamped Made in England. The watch measures 32mm diameter excluding the winding crown and the lugs. The case is gold plated. There is the odd minor mark, and a little rubbing on the lugs, but overall the condition is good. The lens is in good condition. The signed dial is in its original finish with original blued steel hands, a subsidiary seconds dial and outer minute markers. A new leather strap has been fitted. The watch comes in a new presentation box.
