Description

This is a beautiful antique English brass helixophile's novelty system gadget walking stick, circa 1880 in date. The striking walking stick features an L-shaped stag antler handle with a built in novelty brass cork scREW, on a malacca tapering shaft. Add an extravagant element to your daily life with this wonderful walking cane. Condition: In excellent condition, please see photos for confirmation. Dimensions in cm: Height 97 cm x Width 13 cm x Depth 4 cm Dimensions in inches: Height 3 foot, 2 inches x Width 5 inches x Depth 2 inches Size of cane that you need Convert your height into inches. For example, if you are 5' 10" in your shoes, your height is 70 inches. Divide by two and then add ½ inch to determine your approximate cane size. In our example, if you are 70 inches tall (5' 10"), your approximate cane size would be 35" plus ½" = 35.5 inches. Malacca wood rare and exotic also known as "King of canes" was the most commonly used material in making the cane shafts where the standard grip was rounded and metallic. Today, designer and collector canes have sterling silver handles, and are made with wooden shafts made from various woods, including Malacca and bam...
