Description

Large Early French Antique Solid Silver Gilt Chalcedony Paste Brooch 9 cm / 3.5" This is an exquisite antique brooch/pin from mid 19th century. The solid silver gilt chalcedony paste design is adorned with a beautiful large old European cut paste stones in clear and green. This is a large statement piece and measures 9 cm/3.5 inches and is perfect for any early antique costume jewellery collection. The brooch/pin is ideal for those who appreciate fine jewellery and is a must-have for vintage and antique jewellery enthusiasts. The metal is yellow metal and the era is circa 1850. This is a timeless piece that will never go out of style. The colours on this brooch are so vibrant and held by a delicate gold on silver setting, with the cloudy white stone background to let the paste stones really stand out. This is in superb antique condition and has been very well cherished.
