

SA1105491

45 x 33cm Antique Veramin Bagface

Price

Sold

Item Reference: SA1105491

Date of manufacture: 1890

Dimensions

Height = 33 cm (13.0")

Width = 45 cm (17.7")

Description

Although rough around the edges, this is a superb example of Veramin art. The apple green medallion leaps off the screen and the border is full of charming small polychrome dots between ,multicoloured stars. Very appealing for the collector, a great display item for very few pounds.
