Description

A wonderful antique Edwardian inlaid mahogany occasional side table. This was made in England, it dates from around the 1900-1910 period. It is of very fine quality, the top has a beautiful shape with lovely sweeping serpentine shaped edges. The top has satin wood cross banding around the edge, there is also satin wood banding that runs down the front of all the legs and around the edge of the lower tier. We have had this recently re-polished, the condition is excellent for its age. There is just some extremely minor wear and patina remaining here and there beneath the polish. Width – 30 inches , 76 cm Depth – 24 inches , 60 cm Height – 28 inches , 71 cm
