Description

An impressive late 19th century mahogany wine table, the geometric parquetry top with an ebonised thumb moulded edge over a turned pedestal raised on an ornately carved tripod base. Interestingly the decorative ring towards the base of the pedestal rotates, which is a particularly interesting feature. Very good condition, structurally all in good order with just some light age related surface wear. English, late 19th century. H: 70 W: 47 D: 47 cm
