## Description

An unusual pine cupboard from about 1820, pegged construction all in original finish, of narrow proportion. If shelved out it would make a useful shoe or larder cupboard. Ideal for fishing rods too . Possibly from Sweden. All sizes are in inches 86 tall, 15.5 wide and 12 deep. A very charming piece of furniture with so many uses, I would put it in my bathroom for loo rolls .original iron hinges and handle. Delivery to England Wales and Scottish borders via courier service £80.00. Thanks for looking.
