Description

George IV mahogany pedestal table; the circular top finely segmentally veneered in twelve sections of flame mahogany; of rich colour with a circular column with lobed decoration and triangular concave/sided platform-base and circular feet with lobed bases on castors. Excellent patination; minor shrinkage to top. Circa 1825 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we hold Open Weekends from time to time.
