Description

Fine George III period mahogany arm-chair with a moulded cartouche-shaped back and arms; the upholstered back and seat covered in gold damask, moulded on a reeded serpentine-fronted frame with reeded, tapered and block-footed feet. Circa 1785 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we hold Open Weekends from time to time.
