Date of manufacture: Georgian

Dimensions

Height = 215 cm (84.6")

Width = 48 cm (18.9")

Depth = 25 cm (9.8")

Description

A red japanned long case clock. The case is very well covered with chinoiserie decoration, including trees, pagodas and figures. It is excellent condition. The single sheet silvered dial, signed George Everleigh of Beamister, (Beaminsten), has a delightfully bucolic automaton of Father Time in the arch, which rocks from side to side with the escapement. c. 1770 Height 85"

Internal Ref: red lacquered automaton long case clock
