Description

Early nineteenth century card table standing on pedestal support with very sharp carving to the fluted and foliate column and the ball and claw feet. This table is very fine quality with great proportions and thin frieze. There is a slight bow to the top and two small shrinkage splits which may improve with restoration and the baize is worn and needs to be replaced. The rest of the table is in extremely good condition. 70cm high 95cm wide 48cm deep (closed) TF073
