Description

A lovely antique military campaign style chest of drawers in yew wood. This was made in England, it dates from around the 1930's. It is of superb quality and is a very useful size. The yew wood has a gorgeous colour tone and grain patterns, this also has fine quality brass handles and brackets on the corners. There is an inset leather top with tooled edges, beneath that there is a brush slide shelf that also has a tooled leather surface. We have had this recently revived and re-polished, the condition is excellent for its age. There is just some minor wear remaining here and there beneath the polish. Width – 23 inches , 58 cm Depth – 16 inches , 41 cm Height – 24 inches , 62 cm
