Description

Royal House Antiques is delighted to offer for sale this sublime fully restored circa 1830 William IV Flamed Mahogany extending dining table. Please note the delivery fee listed is just a guide, it covers within the M25 only for the UK and local Europe only for international, if you would like an accurate quote please send me your postcode and I'll provide you with the exact price. Condition wise, as mentioned the piece has been washed back and traditionally French polished, it will still have of course the original patina to the base, the top however is perfect to my eyes and hands.
