Description

A stylish late 19th century ebonised Aesthetic Movement piano stool with the beautifully aged gold plush upholstered seat opening to a quality maple lined interior. Very good condition, structurally all in good order with just some light age related surface wear. The upholstery is worn and a little threadbare in places but this is very much in keeping with the aesthetic of the piece. English, late 19th century. H: 54 W: 52.5 D: 35.5 cm
