Depth = 1 cm (0.4")

Description

This is an exemplary example of a gents classic wristwatch made by the world renowned premier maker International Watch Company or IWC. This is the legendary calibre 89, a movement widely regarded by watchmakers as the finest movement ever made "The Watchmakers Watch". The movement is a work of art with ruby jewels set in gold chatons, the plates are finished with Geneva stripes and hand beveled edges, as you can see it is in fabulous condition. The dial is in mint condition having been fully restored. It has a heavy solid 18ct gold case with polished lugs and complimentary grained case sides. As you would expect the watch is fully marked on the dial, movement and case. IWC are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance associated with IWC. The watch case measures 35mm in diameter not including the crown. The watch has just been fully serviced and comes with a one year warranty. We have fitted it to a high quality green croc texture strap but we can fit any colour or style you prefer, we keep most things in stock. The IWC Cal 89 is a true lifetime watch to be handed down through the generations. ...
