## Description

A very impressive mahogany longcase clock by Wilshire & Link of Bristol. Featuring a Moonphase dial to the arch and also High Water at Bristol Key. Also with a silvered brass engraved centre, date, seconds and blued steel hands. The 8 day movement strikes the hours on a bell. The high quality mahogany case is typical of the period and the Bristol area. Please Note: This clock has only just arrived and is currently in our workshops being prepared for restoration. If you would like to purchase or view this clock it may be possible to bring this process forward. Please contact us for further details.
