Description

A very recent addition to our showrooms in Cherhill and currently under restoration. A very desirable and almost untouched Chinoiserie/Lacquered longcase clock dating to the last quarter of the 18th century. The movement has the facility to strike the hours on a bell and the dial feature date and seconds to the centre. The faux Red Tortoiseshell Chinoiserie case is beautifully preserved and only requires a small amount of stabilising and minor woodwork repairs as required. The Chinoiserie decoration to the case will be sympathetically revived and preserved for future generations to enjoy. C.1775
