Description

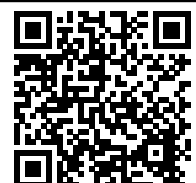

Early 20th Century Hand-Crafted Copper Weathervane This fine example is stamped at the base L.S Corp Limited who are one of the world's largest companies in copper and smelter production. The company was established in 1939. We are unsure if the base has been taken later from another item to create this example or if it was intended to be together from its creation. This object displays a jockey on horse and is naively made with an American style of craftsmanship. Size in inches: H 15" x W 24" x D 1.5" Origin: American / Unknown Date: Early 20th Century Condition: Aged Rough Weight: 4kg We believe this item is around 80 to 100 years old, still in complete original condition. There is wear and tear present in the form of faded surface, natural verdigis, and damage to the bridle sections. We strongly suggest reviewing all the photos provided as part of this advert and propose questions where sections are unclear to avoid disappointment upon purchase.
