Description

Outstanding Omega solid 18ct gold gents wristwatch. This is a very fine example of a gents classic wristwatch made by the world renowned premier swiss maker Omega. The watch is the rare and highly desirable Constellation Chronometer fully automatic calibre 551 24 jewel chronometer rated movement which has just been overhauled and serviced and comes with a 12 month warranty, as you can see it is in fabulous condition. The dial is perfect having just been professionally restored to new condition. It has gold dagger hands and baton markers. The crown is the original and hard to find dodecahedral shape with the Omega symbol. The constellation logo on the back of the case is bright and crisp all of the stars are sharp and well defined, its have very little wear. As you would expect the watch is fully marked on the dial, movement and case. The heavy solid 18ct gold case is fully hallmarked. The case measures 34.5mm in diameter excluding the winding crown. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. Overall this watch is in outstanding condition and highly sought after...
