Description

We have two exquisite cabinets from Highgate School, formerly part of their arts and crafts department. Made in the 1930s from solid oak, these cabinets boast a shelf-fitted interior and stunning hand-painted fronts. With their elegant sloping tops and lockable doors, they are not only functional but also stunning pieces that would great in any setting. We believe that the painting has been retouched over the years making it a later addition. £1,800 each .
