Date of manufacture: 1930

Dimensions

Height = 18 cm (7.1")

Width = 18 cm (7.1")

Depth = 10 cm (3.9")

Description

A very fine example of a ships clock, unusually, this one striking the 8 bells of the watch. A beautifully clean brass case that has been lacquered to prevent tarnishing. A very heavy cast brass opening door with thick, bevelled glass. The impeccable white enamelled dial has black Roman numerals and hands. It is signed "Schatz. Royal Mariner, 8 bells, 7 jewels." Also a regulator adjuster and a STRIKE/SILENT button. It has just been serviced by our BHI registered horologist and carries our usual 12mths full parts and labour guarantee. A lovely quality clock. Why pay silly, inflated prices for a clock when you can get a perfect, fully guaranteed example from MASONS ANTIQUES, All cards accepted.
