19th-Century Walnut Overmantel Mirror With Brass Detailing

Price

GBP 400

| USD \$541 | EUR 468

Item Reference: SA1107350

Date of manufacture: 19th Century

Description

A superb example of 19th-century design, the mirror is defined by its rich walnut frame, which displays a striking natural grain pattern accented by fine decorative brass detailing. The clean architectural form combines understated elegance with luxury period accents, allowing it to blend seamlessly into both traditional and contemporary interiors. The piece is in excellent showroom condition. It is ready for immediate use and placement in the home. Dimensions: * Height: 89.5 cm * Width: 133.5 cm * Depth: 15cm

Internal Ref: 009
