Description

A Yorkshire Landscape Signed Original Early 20th-Century Watercolour Painting Brief Description: This is a marvellous Original Landscape Watercolour Painting depicting a rural hamlet in Yorkshire, with an ancient stone river bridge, period cottages, woodlands, and tall rolling hills in the distance. The painting dates to the late 19th/early 20th century and it is signed indistinctly in the lower left corner. The artist has captured the mood and the scene perfectly. His/her portrayal of the moody skyline and architecture is something to behold. Mounted within the original gesso moulded and glazed frame. Attributes: Watercolour Painting Signed lower left Circa: 1890-1910 Condition: Other than a few very minor foxing spores, the painting is in superb original condition. The original frame, whilst presentable, has seen better days. There are gaps at the edges of each corner, and there are two metal brackets on the back of the frame that are holding it together. None of the above minor imperfections detract and they are mentioned more so for accuracy. Framed Measurements: INCHES & CENTIMETRES Height: 19" | 48.2 cm Width: 25.2" | 64 cm Depth: 1.6" | 4 cm ...
