Description

A most unusually shaped tray, very long and slim, a truly elegant example. The silver plated tray is made by the top notch and highly collectable silversmith, Hukin & Heath, fully marked on the underside. The tray retains a highly decorative original monogram, I think an intertwined J and L, it is beautifully done and creates a very regal look. The tray has just been returned from our silversmiths workshop, where it has been professionally cleaned and polished, restoring it to it's former glory with minor wear commensurate with age and use. A fabulous size, measuring 26 1/2" in length x 8 1/2" x 1 3/4". Item: 44458 FREE Worldwide Registered Airmail Directly From the UK
