Description

Excellent Smokers Bow Chair - Elm - c1890 This Smokers chair is in great order. Of particular note is the exceptionally well figured Elm grain displayed within the seat. The chair is solid and naturally a very comfortable place to sit. The seat height is good at 43cm making it easy to get in and out of. The turned parts to the legs and double 'H' stretcher are very robust and the design of the whole piece displays terrific sturdiness. An interesting example and a pleasing chair to enjoy. This chair will make a lovely addition to any setting and is ready to give another 120 years service!
