Description

Unusual pair of Georgian inlaid mahogany and satinwood concave bedside cabinets or sofa end tables. Great detail to the marquetry inlaid door panels in the Adam's style. They are of a very practical size for bedside cabinets and both have an adjustable shelf with a working lock and key. Being Georgian and especially with them being concave fronts, there are some age lines to the door panels, although not of any concern (just mentioning them). Great pair of very useful cabinets! Measuring: 29 3/4 inches or 75.5 cm high 19 inches or 48.5 cm wide 23 3/4 inches or 60.5 cm deepest point.
