Description

DESCRIPTION: This is an exquisite mahogany long case clock, which is of super grand proportions. It has an eight-day movement on a broken arch painted face with rolling moon. This truly is a majestic clock which has the most fantastic mahogany case and is incredibly detailed. The movement is lovely and clean and in perfect working order having recently been professionally cleaned and serviced. If we start with the hood, this has swan necks with arched moulded cornice. The hood door is beautifully made with cushion moulding and is flanked by superb full reeded columns with lovely half turned columns to the rear. Moving down to the trunk, the lovely shaped full length door is flanked by quarter reeded columns. The door contains the most wonderful flame of mahogany. The key hole has a lovely shaped brass escutcheon. The base has a lovely applied panel with the centre panel having a wonderful flame of mahogany, the front corners are canted and again have been beautifully reeded. The base is then raised on lovely ogee bracket feet. The eight-day movement has a broken arch painted face with rolling moon and subsidiary second dial and date aperture. The four corners are bea...
