Description

Burr yew fitted jewellery box; standing on pressed gilded brass winged paw feet, press ring handles and escutcheon with white and black stringing detail. Fitted interior with lift-out tray; lovely colour and patination. Circa 1815 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we hold Open Weekends from time to time.
