Description

This absolutely beautiful antique cloisonné garniture set consists of a clock and two matching candle sticks. This wonderful clock has a shaped bronze case covered in exquisite cloisonné enamel. The centre of the case is decorated with two wonderful shaped and cloisonné decorated columns. This fantastic piece has absolutely superb cloisonné work with fabulous blues, pinks, whites, and greens in complex patterns making it an excellent show piece! The wonderful dial is brass and set out in Arabic numerals with a wonderful shaped edge and cloisonné centre. The dial then has a pair of wonderful shaped fingers and is signed by the retailers "FINNIGAN MANCHESTER" as well as being signed "PARIS MAKE". Finally the dial is covered by a wonderful bevelled glass set into a bronze beadwork bezel which opens to allow the clock to be wound. The movement is wound via the front door and accessed via the door at the back and runs off a balance shaft. It is stamped "2951" and is a French movement. The movement ticks away nicely. The clock is then flanked by two beautiful cloisonné decorated candle sticks. As can be seen from the photo's the candlesticks have a fantastic shape and makes ...
