19th-Century Decorative Leather Folding Screen

Price

Sold**Item Reference: SA1108147****Date of manufacture: 19th Century**

Description

A striking 19th-century folding room screen crafted from leather, featuring a beautifully balanced profile. Its impressive height, rich textures, and commanding presence make it a beautiful statement piece to divide a large room, accent a dark corner, or serve as a dramatic backdrop in a grand dining room or entrance hall. The screen is defined by its decorative, hand-painted panels that showcase remarkable artistry and traditional period motifs. Each panel is framed by original brass stud edging that traces the perimeter, highlighting the exceptional level of luxury craftsmanship and detailed finish popular in the 1800s. The piece is in good condition overall. It shows minor, honest signs of storage wear that blend naturally into its historic character, and it is ready for immediate use and placement in the home. Dimensions: * Height: 130 cm * Individual Screen Width: 55 cm
