Description

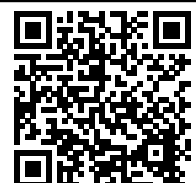

DESCRIPTION: Here we have a wonderful antique mahogany apothecary's chest / cabinet which has been beautifully inlaid to the top, front and rear with herringbone banding. The top has a nicely moulded edge which opens to reveal apothecary scales and weights, four bottles, a small cylindrical glass measures, a small conical glass measures, a silver plated funnel, a bovine apothecary spoon, a small dish in which the weights to the scales are held. Below is a cupboard and when the door is opened this reveals six various bottles bearing labels "A J Wells late J W Trigg, Gloucester, Arthur J Wells and J W Trigg" over seven various drawers which all have lids when pulled out, the central drawer containing a glass pestle and mortar. There is a further rear door containing eight various bottles bearing labels for "R Y Duckworth, Gloucester, Arthur J Wells, Gloucester, W H Hampton, Gloucester". DIMENSIONS: The approximate MAXIMUM dimensions are: 10 1/4 inches / 26.5 cm wide including handles x 8 3/4 inches / 22.5 cm deep x 12 1/4 inches / 31 cm high. CONDITION: The chest is in lovely condition as can be seen from the photographs, there is general knocks / marks, and a couple...
