Description

DESCRIPTION: This is a wonderful antique Zanzibar, Omani dowry chest, circa 1880 / 1900 which is exceptionally detailed with carvings and inlaid brasswork. The chest having a hinged lid decorated with inlaid brass repousse work. The front and side are carved and also have similar brass inlaid decoration as well. The inside of the lid has decorative brass strap hinges. The lid is complete with it's two locks and keys. The base of the chest having three drawers which are inlaid with brass and are again complete with their locks and the two keys to opertae the locks. The sides have heavy brass carrying handles and the chest is raised on a shaped plith base. The chest is a lovely colour and finely detailed. DIMENSIONS: The approximate dimensions are: - 47 7/8 inches (114 cm) wide. - 20 1/2 inches (52 cm) deep. - 23 1/2 inches (59.5 cm) high. As can be seen from the above dimensions this chest is of lovely proportions. AGE: The chest is circa 1880 / 1900. CONDITION: From the photographs you can see that this is an exquisite piece of furniture. The condition of the piece is also exceptional considering it's age and the detailing. There are some knocks / marks commensura...
