Description

A wonderful pair of antique Chippendale style mahogany side tables. They were made in England, they date from around the 1930's. They have a gorgeous design, with pierced fretwork around the top edge gallery, beneath the corners and on the stretchers. They are a useful and substantial size, the mahogany has a gorgeous colour tone and patina. We have had them recently re-polished, the condition is excellent for their age. There is some minor wear and patina remaining here and there beneath the polish, commensurate for age. Width – 24 inches, 62 cm Depth – 19 inches, 48 cm Height – 24 inches, 61 cm
