Description

Beautiful Antique Butterfly Tray This exquisite antique tray showcases a stunning geometric design created beneath glass, featuring carefully arranged, vibrant, and exotic butterfly wings. The intricate craftsmanship results in a captivating interplay of colours that is both decorative and functional, preserved beautifully beneath the glass surface. The tray is elegantly framed with rich mahogany wood and accented by a delicate parquetry inlay border, adding a touch of timeless sophistication. It is complete with carved carry handles at each end, combining style and practicality. This unique piece would make a wonderful and distinctive gift. Condition: Wear consistent with age, including a few light marks and scratches to the wood.
