Description

A masterpiece of precision and craftsmanship, this 8-day weight-driven regulator clock features a substantial movement with a dead-beat escapement, maintaining power, and a mercury-compensated pendulum—hallmarks of horological excellence. Encased in a stunning flame mahogany veneer, the elegant craftsmanship complements its timeless functionality. The 10-inch round silvered dial, engraved and signed James Wood Glasgow, displays a classic regulator layout with both Roman and Arabic numerals, combining style and practicality in a harmonious design. An exceptional addition to any collection, this clock blends beauty and precision, showcasing the legacy of one of Glasgow's finest horologists. Serviced and guaranteed for 3 years. Height: 82" or 208 cm CIRCA. 1850 Provenance: Private collection, UK Would you like to view this clock in your own home? Contact us to arrange a viewing with our Homeview service. (T&C's apply.)
