Description

A beautifully clean, smart, Westminster-Chime, golden oak wall clock of the Arts & Crafts period. The 8 day movement strikes on the quarters and the hours. Importantly, it strikes on steel rods, giving a very crisp clear tone. It is fitted with a STRIKE/SILENT facility. It has just been fully overhauled by our BHI registered horologist and carries our usual 12mths full parts and labour guarantee. The silvered dial has black Arabic numerals and spade hands. It is in lovely clean, original condition. The golden-oak case is beautifully polished with a lovely age related patina. Keeping perfect time and complete with original winding key. A nice compact and desirable little clock. Why pay silly, over inflated prices for a clock when you can buy a perfect, fully guaranteed example from MASONS ANTIQUES. All cards accepted.
