Description

A nice, clean wall clock in lovely condition. The rosewood, octagonal case, retains it's original French-polished finish and is in beautiful condition. It has a glazed panel through which the pendulum can be seen working, and nicely carved wings, or ears to the sides. The white painted dial has black Roman numerals and hands. The 8 day movement strikes on the hours on a coiled gong. It has just been fully overhauled by our BHI registered horologist and carries our usual 12mths full parts and labour guarantee. A very smart clock that is ready to go straight to work. Why pay silly, over inflated prices for a clock when you can buy a perfect, fully guaranteed one from MASONS ANTIQUES. All cards accepted.
