Description

A Group of 4 French Antique Wrought Iron Lattice Garden Chairs C1920s. An excellent quality set of 4 wrought iron, hand forged garden chairs with lattice seats, circa 1920-1930. A well constructed set of 4 French antique garden chairs with lattice seats, hand forged and riveted, fine quality. Whilst a set of 4, these are in fact 2 pairs, they are 2 plus 2, varying marginally but otherwise very similar, the difference is marginal, see photos. Presented in very good structural condition, the paint shows evidence of outside use and gentle oxidation which adds an authentic character. Please request more photos and any questions invited. Free collection from Lewes, East Sussex. U.K. delivery available. We operate a weekly delivery service into London and surrounding areas of the M25 for only £35 plus any relevant congestion charges, please enquire. We can recommend a whole of U.K. weekly delivery service with competitive prices, please enquire.
