## Description

Very close pair of French mid 19th century Louis XV open armchairs with generous proportions and newly upholstered. They are both very well carved throughout and only really when they are alongside each other like this that you spot that they are not an identical pair. Very comfortable chairs you would be happy to sit in for a whole evening, they also look great from all sides so you can free stand them if you need to. The dimensions below are of the slightly larger chair. Measuring: 42 inches or 106.5 cm high 28 3/4 inches or 73 cm wide 27 1/2 inches or 70 cm deep 19 inches or 48 cm seat height 25 inches or 63.5 cm between the arms
