## Description

This exquisite set of six dining chairs boasts solid walnut frames and is in excellent condition, hailing from the splendid Victorian era. The chairs feature elegantly shaped back rails and a decorative horizontal centre rail, showcasing a desirable aged patina. They rest on saber legs, and the drop-in pads are upholstered in a neutral-coloured checked fabric, free of holes or rips. While these can be easily reupholstered to match any décor, the current fabric is clean, and the frames are sturdy. Despite the typical imperfections of antique furniture, this well-crafted set of chairs exudes a beautiful colour and patina, offering both style and functionality to any home. Seat height 46cm
