Description

This is a fabulous opportunity to acquire a solid brass genuine Victorian desk, table or bedside lamp dated to around 1860. Originally a candlestick with the wonderful classic Victorian turned baluster design, they have now been converted into a table lamp by a fully qualified electrician ready for immediate use. It comes with brand new green coloured shade but will accept almost any shade that you prefer. It is in excellent condition with the brightness of the solid brass yet retaining the patina which you would expect of genuine Victorian pieces. The cord is the traditional woven style cable which adds to the authentic antique look. It measures 47cm high including the shade, the shades are 26cm in diameter. This is a beautiful genuine antique lamp and not to be confused with reproductions. Fowey River Antiques, Cornwall on 01726 813155 daytime and evenings 9am - 9pm, we are open 7 days a week!
