Description

This is a fabulous opportunity to acquire a set of four solid brass genuine Victorian desk, table or bedside lamps dated to around 1860. Originally candlesticks with the wonderful classic Victorian turned baluster design, they have now been converted into a table lamps by a fully qualified electrician and are ready for immediate use. They also come with brand new emerald green coloured shades but they will accept almost any shade that you prefer. They are in excellent condition with the brightness of the solid brass yet retaining the patina which you would expect of genuine Victorian pieces. The cords are the traditional woven style cable which adds to the authentic antique look. They measure 39cm high including the shades, the base is 7cm square and the shades are 22cm in diameter. This is a beautiful genuine set of lamps and not to be confused with reproductions. Fowey River Antiques, Cornwall on 01726 813155 daytime and evenings 9am - 9pm, we are open 7 days a week!
