Description

A lovely pair of miniature Sterling Silver vases. They are stylish and good quality with a swirling tapering body, flared wavy rim and square bases. They have unusual mythical dragons head handles and are good quality pieces with weighted bases. They are both hallmarked for London, 1892 and the maker Pairpoint Bros. They are in good condition for their age. There are signs of age and use, some minor dinks and light surface marks but overall they display well. They have been gently cleaned and polished and are ready for use.
