Description

A stylish and very well made original Art Deco mahogany occasional side table / coffee table. This was made in England, it dates from the 1920-30's. The quality is fantastic, this has a beautiful segmented octagonal top giving a starburst design, with lovely cross banded edges. It sits on a central pedestal base terminating in an octagonal platform base. It is a great size to be used as an occasional side table or as a coffee table. We have recently had this stripped and re-polished to a very high standard, the condition is excellent for its age. Width – 60 cm , 24 inches Depth – 60 cm , 24 inches Height – 60 cm, 24 inches
