Date of manufacture: Georgian

Dimensions

Height = 76 cm (29.9")

Width = 56 cm (22.0")

Description

Late 18th century Georgian mahogany mirror with the original mercury mirror glass. The glass does have some foxing which are the little spots you can see in the photos, but that does mean it has a lovely mellow glow to the old glass. Good size for an overmantle or dressing table mirror perhaps. Adapted from a toilet mirror on stand
Measuring: 30 inches or 76 cm high 22 inches or 56 cm wide
