Description

We are delighted to offer this spectacular antique Victorian rock crystal cabochon pendant necklace made with 15ct solid gold in the Victorian era, c.1870. (*Please note: all other items are for display purposes only and this listing is for the item listed in the title only). This unique and beautiful pendant is made in the Etruscan revival style, capturing the essence of the period's mystical nature and enchanting designs. Set with an almost celestial or magical rock crystal in the centre, this piece exuberates mystery (a magical crystal ball or even a UFO comes to mind upon first glance). The intricate craftsmanship and skill in making such a delicate yet ornate design are exemplary and marvellous in this piece. The fine frill detailing, stippled background and twist rope borders truly accentuate this distinguished pendant. Further signs of superb design and aesthetics can be seen where the gold mount is set with a rock crystal cabochon that serves as the mount for a central partition of seed pearls. The seed pearls have not only been mounted on top, but embedded within the crystal so that it lies flush whilst also allowing the cabochon to still be fully tran...
