Depth = 15 cm (5.9")

Description

Technical Description A superb Scottish Whisky Flagon dating to c1820 which was made by the Alloa Glass works on the river Forth. Dark green with iridescent white giving a blue tinge to the speckled cells. String rim with applied handle. Snapped pontil. All of Scotland's glass cones have been demolished except for this unused but preserved example. Alloa Glass Works was officially founded in 1767 to produce glass bottles, making it Scotland's oldest functioning glasshouse and now the country's only remaining glass bottle works. Date & Origin Alloa Scotland, c1820, Period of George III. Condition Excellent, no chips cracks or restoration. Minor internal residue. Dimensions Height: 26cm Diameter: 15cm

Internal Ref: 2024093006
