Description

Technical Description A large 19th century Bristol Green Cuspidor Bowl with gilded Greek key decoration around the rim with gilded bands around the bowl and base. Large polished pontil. This is a very rare piece and although its not signed it was almost certainly at the "Non-Such Flint Glass Manufactory" in Bristol, owned by Isaac Jacobs. You can see an example of his gilding at the V&A in London. Date & Origin England, c1810-20. Period of Victoria Condition Excellent, no chips cracks or restoration. Dimensions Height: 9.2cm Rim diameter: 21.5cm
