Description

Good pair of Victorian "Grand Tour" bronze figures on original marble bases of a boy and a girl. Nice colour marble bases with shaped brass collars between the marble bases and the bronze busts. They are not signed as far as I can see. Good detail and a nice patination to both. There is slight old damage to one of the black marble bases as shown and there are a couple of very small marks to the top back of both heads. These stand very well and would look good in any setting. SIZE; 3 1/2" square bases. 13" tall CIRCA; 1870 - 1890
