Description

Technical Description A superb and rare pair of 19th century Bristol green glass Mell decanters dating to c1860. They have their original radial cut mushroom stoppers, each neck having 3 applied rings. Polished pontils. Mell decanters in 99% of cases would have had cork stoppers, but occasionally you find an example with a glass stopper. To find a pair with stoppers is exceptional. If you would like to learn more about Mell Decanters and their colours we have an article published on our web site that you may enjoy. **Date & Origin** England, c1860. Period of Victoria **Condition** Excellent, age-related wear as shown. No chips cracks or restoration, clean and clear. **Dimensions** Height: 21cm (includes Stopper) Diameter: 14cm.
